Commissioner for Patents  
P.O. Box 1450

Sir:

In response to the Action dated March 23, 2006, applicants respectfully request reconsideration of this application in light of the following remarks

**REMARKS**

Claims 1 and 2 are pending in this application.

The Examiner stated that the information disclosure statement (IDS) filed "12/28/05" failed to comply with 37 CFR 1.98(a)(3) because it allegedly does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information that is not in the English language. The Examiner further stated that the information had been placed in the application file, but the information referred to therein had not been considered.

Applicants are unaware of any IDS filed on December 28, 2005, but for purposes of this response will assume that the Examiner is referring to the IDS filed on February 6, 2006. Based
